Electronic Still Video
Computer (PC) Compatible Digital Camera with Direct Personal
they made application for LETTERS PATENT OF THE UNITED STATES, which
application has been duly executed by them on November 20, 1990

And Whereas, Personal Computer Cameras, Inc.
McLean, Virginia 22103

Hereinafter called the assignee, is desirous
of acquiring the entire right, title and interest in and to said invention within the United States of
America and its territorial possessions and all foreign countries and any United States or foreign
LETTERS PATENT that may be granted therefor.

Now, this Indenture Witnesseth. That for and in consideration of the sum of
10.00 Dollar, in hand paid to them, and other good and valuable considerations, the receipt
whereof is hereby acknowledged, they have assigned, sold and transferred, and do hereby
assign, sell and transfer to the said assignee the entire right, title and interest in and to the said
invention within the United States of America and its territorial possessions and all foreign
countries, and in and to said application for LETTERS PATENT of the United States, and in and
to all other applications for LETTERS PATENT for said invention in all other countries, and in
and to all divisions and continuations of any of said applications, and in and to any LETTERS
PATENT of the United States and foreign countries and all reissues and extensions thereof that
may be granted, and the right to apply for LETTERS PATENT in foreign countries with full
benefit of such priorities as may now or hereafter be granted to them by local laws or
by treaty including any international convention, for the protection of industrial property,
together with the right to extend the protection of said U. S. LETTERS PATENT to the various
territorial possessions now owned or which may be hereafter acquired by the United States of
America, all said rights to be held and enjoyed by the assignee for its own use and behoof, and
for the use and behoof of its successors or assigns, to the full end of the respective terms for
which said LETTERS PATENT may be granted, as fully and entirely as the same would have
been held and enjoyed by them if this assignment sale had not been made. And
they do hereby request and authorize that any and all LETTERS PATENT, when
granted, be issued in accordance with this assignment to the assignee.

In further consideration of said sum of 10.00 Dollar, and said other good and valuable
considerations, to them paid, do covenant and agree with the assignee that they have full
and unincumbered title to the invention hereby assigned, which title warrant
unto the assignee, and they further agree that they will, without demanding any further
consideration therefor, at the request but at the expense of the assignee, do all lawful and just
acts including the execution and acknowledgment of instruments, furnishing of information and
giving of testimony, that may be or become necessary for obtaining, sustaining, or reissuing
United States and foreign LETTERS PATENT for the said invention, and for maintaining and
perfecting the assignee's right to said invention and LETTERS PATENT, particularly in cases of
interference and litigation.
